Pet Name

Pet Age

CID: Number

Your pet will receive a preoperative physical examination and blood work to ensure he/she is a good candidate for the procedure. The procedure is performed under general anesthesia. As you know, we will use every precaution to ensure your pet's safety during anesthesia and surgery. If your pet has any fleas they will be given medication during their stay in the hospital area.

## Wellness Questionnaire (Please initial either yes or no)

Animal Name

Age

is  old. We will be doing pre-anesthesia blood work before sedation unless there is current blood work within three months. This blood work will check kidney, liver, blood sugar, RBC, WBC and dehydration values. Tooth extractions will be performed at any time of the dental cleaning as needed at additional cost.

Has your pet had any history of asthma, exercise intolerance, cough, or open mouth breathing?

YES  NO

If YES please list: \_\_\_\_\_

Is your pet on any medications, supplements, or home remedies?

YES  NO

If YES please list: \_\_\_\_\_

Does your pet have any known or suspected illnesses or medical problems?

YES  NO

If YES please list: \_\_\_\_\_

I certify that I am the owner, or duty authorized agent for the owner, of the animal presented today, and that I give Dr's Johnson, van der Westerhuizen, Watson and Chesnutt full and complete authority to perform the surgical procedure described above. Further, I understand that the doctors and staff will use all reasonable precaution against injury, escape, or death of my pet. I understand that anesthesia and surgery involves some minimal risk to my pet and I will not hold the doctors and staff responsible under any circumstances. I assume all risks.
